Re: North Bay Fires (Strategic Advice and Counsel)  
Matter Number: 1706992

Dear Mr. Weissmann: *Henry*

I am pleased that you have agreed to provide your professional services to Pacific Gas and Electric Company ("PG&E") for this matter.

We have agreed that the terms and conditions governing your services will be encompassed by the Master Service Agreement ("Agreement") between PG&E and Munger, Tolles & Olson LLP, dated January 1, 2018.

As required by the Agreement, your budget for this case is \$500,000. I remind you that PG&E cannot and will not pay your bills if they exceed the budget without advance written approval from the PG&E liaison identified below.

PG&E agrees to pay you at the billing rates specified in the Agreement, subject to any discounts or other payment provisions in the Agreement. These rates are in effect during the term of this specific engagement for all services rendered during the pendency of the matter. In the event that you change or add personnel assigned to this matter, you agree to seek our approval in writing within ten (10) days of each change or addition including the additional person's billing rate. No other person is authorized to work on the matter without our approval.

If you and PG&E enter into any alternative fee arrangement during the course of the engagement for any specific project (e.g., a fixed fee for a motion) or more generally for your remaining work on this matter, that arrangement will be separately documented and you will invoice PG&E in accordance with that arrangement.
